Good Samaritan School is governed by a Board of Trustees. The Board is a policymaking body charged with establishing the school's mission, ensuring that the school is successfully fulfilling its mission, and planning for the future well-being of the school. In addition to establishing school policies and long range plans with the school's Head, the Board is responsible for providing sound financial management and fiscal stability to the school. This includes responsibility for the school's operating budgets, capital assets, fundraising initiatives and endowment.

The Board hires and supports the Head of School, but does not become directly involved in the daily operations of the school. The primary focus of the Board is strategic and long range in nature, directed towards providing for the future of the school. The Vestry and the Wardens of Good Samaritan Church delegate to the Board of Trustees complete oversight and management of the school.
